GIRLHOOD TO WOMANHOOD
Lydia E. Pinkham's Vegetable Compound

ELLEN M. OLSON
The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl.
When a girl's thoughts become sluggish, with headache, dizziness or a disposition to sleep, pains in back or lower limbs, eyes dim, desire for solitude; when she is a mystery to herself and friends, her mother should come to her aid, and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change, and start this trying period in a young girl's life without pain or irregularities. It has been thus depended upon for two generations.
Hundreds of letters from young girls and their mothers, expressing gratitude for what Lydia E. Pinkham's Vegetable Compound has done for them, are constantly being received.
Miss Ellen M. Olson, of 417 N. East St., Keweenaw, Ill., writes:
Dear Mrs. Pinkham:—
I have had the best doctors in my town for my sickness and they all thought that an operation was necessary. I had headache, sideache, and my feet were so sore I could hardly stand. I took two bottles of Lydia E. Pinkham's Vegetable Compound when my periods were established and now I am perfectly well. My mother says she won't be without my medicine in the house. I have told one girl what Lydia E. Pinkham's Vegetable Compound has done for me and she is taking it now.
Miss Clara E. Darmstadter, of 453 Breckenridge St., Buffalo, N. Y., writes:
"For about a year, except during the past few months, I suffered with severe pains every month, with backaches and headaches. I had the blues so bad that I was in despair. It is a pleasure to tell you that Lydia E. Pinkham's Vegetable Compound has cured me. The change in my appearance is wonderful and I desire that this good may come to every sufferer. Any one desiring to know further details may write to me and I shall be glad to give them."
If you know of any young girl who is sick and needs motherly advice, ask her to address Mrs. Pinkham, at Lynn, Mass., and tell her every detail of her symptoms, and to keep nothing back. She will receive advice absolutely free, from a source that has no rival in the experience of woman's ills, and it will, if followed, put her on the right road to a strong, healthy and happy womanhood.
Lydia E. Pinkham's Vegetable Compound made from native roots and herbs cures where others fail.
No other remedy has such a record of actual cures of female ills. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound and what it has done for them.
Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's ills.

POlice ARE AGAIN AFTER AUTO OWNERS
The police are again after the automobilists. This time it is a batch of sixteen auto owners who are the prey of the department. Some of them are prominent in business circles while others are high territorial officers. All the sixteen have secured their licenses comparatively recently, and while they have applied for chauffeur's licenses, they have not as yet received them, and are therefore violating the law when they drive their autos. It may be stated, as an extenuating circumstance, that several of them have tried to get their licenses, but have been unable to do so because the auto inspector has no regular business hours, and is therefore at times very hard to find.
Each of the sixteen has received a letter in the following terms:

Honolulu, T. H., Feb. 20, 1908.
No action has yet been taken on your application for a chauffeur's license, permitting you to operate an automobile in this county, and you are hereby notified that if you do not obtain a certificate on or before Wednesday evening, February 26th, you will be subject to the penalty provided in Order No. 5, passed by the Board of County Supervisors.
Very truly yours,
C. P. LAUREA,
Sheriff, County of Oahu.

Pittsburg, Pa., Feb. 7.—Edmond Lamy of Saranac Lake, N. Y., won the international indoor ice skating championship by taking three out of the five events run at the Duquesne Gardens here for the world's championship, tonight.

WATERFRONT NOTES
WHEN THE ALAMEDA went away the other day she carried two more of the sailors who were among the crew of the foundered Eclipse. They had waited their time here and got a discharge from the hospital so Uncle Sam paid their fare. One of the other sailors became anxious to get back to the States so he went up some time ago on one of the larger steamers, paying his own way. In such cases, if the sailors follow out certain instructions, the United States Government pays the fare of sailors.
THE AMERICAN-HAWAIIAN company's big freighter Nevada sailed from the railway wharf last night at about 8 o'clock for Kahului, where she will complete her cargo of sugar. The Despatch arrived early in the morning with 700 tons of sugar from Makaweli, and sailed again in the evening. The Texan will be the next vessel of this line to arrive here. She will sail February 21 from San Francisco for Honolulu.
THE PACIFIC MAIL, liner China has sailed from Yokohama and will arrive here on the 28th of this month. She will have 600 tons of freight for this port and will have room for about 100 cabin passengers. The Siberia will be here Saturday morning from the Orient with 1500 tons of freight for Honolulu. She will also have room for about 70 cabin passengers.
THE STANDARD OIL company's crack ship, the Astral, is getting rid of her cargo of navy coal as fast as possible at the Navy wharf. For all of the fact that she has such a dirty cargo, she is the cleanest boat in the harbor.
OWING TO A BREAK in the crank shaft of the suction dredger which has been working in the harbor, the dredger was towed over to the railway wharf, where she will probably be tied up for repairs for the rest of the week.
THE MAUI SAILED this morning for other island ports. The Mikahala will sail for Kauai ports this evening at 5 o'clock. The Claudine is due to leave for the big island tomorrow evening at 5 p. m.
THE NEVADAN will not return here Friday, as was stated in this morning's paper, but she will leave Kahului Saturday night and be here Sunday morning.
THERE IS A BRIGHT little lad on board the George Curtis studying navigation. He is only 14 years old, but has been with the ship for some time.
